Time span	2 hours		
No. of attending students	120		
Venue	Seminar hall, BVCOA, Navi Mumbai		
Organised by	Seminar & workshop team		
Details of the event	The seminar on "Proper Waste Management - Zero Waste Management - Need of the Time - Composting & Plastic Waste Management" was held on June 30, 2023, at BVCOA, with 120 students in attendance. The event, conducted on a Friday, lasted for approximately 2 hours and aimed to raise awareness about the importance of waste management practices in today's world Resource persons Vrushali Magdum, Priyanka Kadam Jadhay, and Rahul Nirbhavane led the session, highlighting the environmental challenges posed by improper waste disposal and the urgent need for sustainable solutions. The speakers discussed the concept of Zero Waste Management and how individuals and communities can minimize waste production through responsible consumption, recycling, and composting. Emphasis was also placed on the growing issue of plastic waste, with practical solutions on how to manage and reduce plastic pollution. The seminar showcased the importance of proper waste disposal in reducing environmental impacts, such as lowering greenhouse gas emissions and preventing landfills from overflowing. Students were encouraged to adopt eco-friendly habits, including composting organic waste and recycling plastic items, to contribute to a cleaner, greener environment. The session
