1. Description:

The institute has a post graduate program (Project management) and Bachelors of Vocational (Interior Design) apart from Bachelors of Architecture. The physical facilities include ICT infrastructure along with required hardware and software. Library infrastructure also provide Digital Support along with KOHA live software. All the departments are fully equipped with the necessary infrastructure to meet the ever increasing requirements of Digitalization to support all academic and extracurricular activities.

The ERP system is followed for the academic documentation as well as assessment of the students. The regular update of Attendance and performance is managed as all faculties are equipped with Desktops and WI-Fi facility.
