Description

Library is automated using integrated library management system (ILMS)

Library is automated and bar-coding of all books is done, as well as the institute has E-journal subscription for faculty and students benefits. The library information is accessed digitally and issuing of books is also done digitally. The library has daylight and a naturally ventilated book stacking area and reading hall. The reading area has 50 -70 seating capacity for UG and 20 to 30 capacity for PG students.The reading rooms are well furnished to provide relaxed reading. The ambiance in the libraries is such that students enjoy using facilities of the reading room for learning.The postgraduate library is separated from the undergraduate library. There are more than 10000 books including UG and PG. The library also has undergraduate student's black books stacking which provides access to all students for reference. The library slots are added in the timetable to give more access to students. The library has student and faculty login registers for data management and analysing the footfall of users in the library. The library provides digital access to students through E-journals and online books. In addition,it has a library advisory committee. The time to time meetings of the committee are conducted for quality assurance of the library. The library is computerised and students and faculty have open access. The feedback from the students on the overall functioning of the library is obtained annually and analysed and, outcome is placed before the library advisory committee.

Dear Sir/Madam,

Sub: Establishing SWAYAM NPTEL Local Chapter in your college

Greetings from the NPTEL office

This is to acknowledge the receipt of your letter accepting to host SWAYAM NPTEL Local Chapter
in your institution.

The **Single Point of Contact (SPOC)** nominated from your college is

Name of SPOC: AR. AAMOD KUMAR KARMAKSH
Designation: ASSISTANT PROFESSOR
Department: ARCHITECTURE
Contact No(s): 8386099714

Method of computing per day usage of library

4.2.4.1. Number of Teachers and Students using library per day over last one year

Formula:

Number of teachers and students using library per day x 100
Total number of teachers and students

For finding out number of teachers and students using library per day over last one year

Step 1: Data of physical users and online users of Faculty and Students for academic year 2022-2023

Sr. No	Month	Physical users Students (A)	E Access (B)	Physical users Teachers (c)	Total (A+B+C)	Total No of Working days	Total No of Teachers	Total No. of Students	Per day usage for a year
	Year 2022-2023 Ratio of students & staff for Accessing Library								
1	May 2022	0	144	0	144	20	40	396	2216/230 = 9.63
2	June 2022	64	40	32	136	20

Step 2

An average number of teachers and students using library per day over last one academic year 2022-2023

Total Number of users /Total no of working days throughout the year

2216/230 = 9.63

An average number of teachers and students using library per day over last one year 2022-2023 = 9.63

Formula

Number of Teachers and students using library per day x 100
Total Number of teachers and students

9.63/436 x 100 = 2.20 %
