1. Description:

The institute is aware of the critical role of Information and Communication Technology (ICT) in education, as it is the present need of the era. The institute has provided the latest IT infrastructure facilities to its faculty and students to enhance teaching and learning processes. Smartboards are further added to promote interactive teaching learning processes.The students are also exposed to digitised media to the maximum extent by allowing them to present their assignment by E-media.

The IT facilities further facilitate individual faculty with personal computers with latest configurations, access to digital databases and anti-plagiarism software. The classrooms are equipped with multimedia PC's, LCD or smart boards to undertake virtual classes and give access to E-Resources.Seminar hall is equipped with an IT facility like LCD and public address system to conduct seminars for large groups. The internet facility and bandwidth also gets upgraded from time to time to run the digital resources. The institute encourages teachers and students to participate in the development program arranged for promotion of the digital environment.
