#लठवेदकांगरेडी

These days, truths spoken are sins committed.
Hashtags couldn't save the country from it's
own prejudice, freedom slowly became fiction.

Seized in the prison of stereotypes, stilled by
chloroform of rumours and branded by the
scarlet letter; her eyes scream for liberty.

"Oh no, you didn't!" the son said angrily,
"Oh yes, I did!" the old lady said proudly after
she took her first trip in a Mumbai local.

nano narrative

#लठवेदकांगरेडी

We will change the country a voice said,
another voice joined and million more.
The voices just echoed amidst everyone's roar.
With no actions but only reactions,
the voice vanished in the blackhole of a never
ending and never acting digital scroll.

I held onto it.
With both hands.
Yet it felt more powerful.
Like it was holding me.

It sure was liberating to be captive to a book.
