

**7.1.9 – Sensitization of students and employees of the institute to the constitutional obligations: values, rights, duties and responsibilities of the citizens**

Summary of the activities:

In order to sensitize the students and staff of BVCOA, Navi Mumbai, towards the constitutional obligations, various programmes are arranged every year.

The expert's talk emphasizing the responsibilities of every citizen towards environmental issues had been arranged in this academic year accompanied by four days long Environmental awareness drive. It fostered a thought that lifestyle of a citizen can directly impact the process of rejuvenation of environment thereby controlling the dilapidation of environment.

BVCOA has organized a slogan writing competition where students will be submitting a slogan on "Lifestyle for Environment" The present slogan competition will tap your creativity in designing slogans for knowing your understanding of G-20.

Submission date: 23rd May 2023.

BVCOA came up with Skit competition on importance of waste management and plastic recycling drive. Where students have to submit recorded skit on theme (Importance of waste management).

BVCOA took the oath to celebrate our heritage, embrace our traditions, and contribute to the flourishing journey of Azadi ka Amrit Mahotsav with enthusiasm and pride.

Special assembly dedicated to the MERI MATI, MERA DESH held at BVCOA on 9th Aug 2023, where all students and faculties took the PANCH PRAN pledge.
